Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Growth of British Policy, Vol. 1: An Historical Essay John Robert Seeley was born in London on September 10, 1834. He was the third son of Mr Robert Seeley, the publisher, a man of great mental and bodily energy, and of no mean literary skill. Mr Seeley was a contributor to Fraser s Magazine and a leader-writer for the Times. A strong churchman, and an evangelical, he published a volume of essays, which passed rapidly through several editions, in defence of the Establishment, and he was one of the founders of the Church Pastoral Aid Society. Late in life he wrote a work on Edward the First, entitled The greatest of the Plantagenets, which has the merit of being among the first books to do adequate justice to that king. He was fond of good novels, and made his boys acquainted with Scott, Dickens and Thackeray at an early age. From his father Seeley imbibed a love of books, a bias towards history, and a habit of thinking about religion. He learnt unusually young to read, and he read eagerly and widely. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
