Xulon Press, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Child Safety Guidelines for Local Churches deals with the sensitive subject of child sexual abuse and what churches can do to protect children under their care while at the same time minimizing their own liability. Prevention and training are critical elements in developing a structure that ensures the safety of children while they are in God's house. Sadly, many churches are unprepared to combat the possibility of the unthinkable happening to one of their precious little ones. By not taking reasonable precautions, they not only endanger the welfare of their youngsters, but are subject to charges of gross negligence and significant financial judgments against their congregations. The author outlines numerous steps that any congregation can take to protect both the children and churches they serve. ROGER MCNAMARA is a veteran pastor, missionary, and church planter with more than forty-six years of experience in local church ministry in Latin America and the United States. He has started and worked in half a dozen churches over the past four decades, and now serves as the Church Planting Training Specialist for Baptist Mid-Missions. In this capacity, he works with churches and church planters throughout the United States and Canada teaching, training, and mentoring church leaders. He also serves in a number of leadership positions within the Baptist Mid-Missions TEAM NORTH AMERICA as well as the registrar for the School of Church Planting. He has published two other books and several leadership training manuals.
