

Dogs Hate Crates: How Abusive Crate Training Hurts Dogs, Families Society (Paperback)

By Ray Lincoln, Emma Lincoln

Awesome Book Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The biggest difference you can make in your dog s, and family s quality of life is the number of hours you crate, or cage, your dog or whether your dog lives free in your home. Dogs Hate Crates by canine psychology specialists Ray Emma Lincoln empowers families to live positively with well-behaved dogs and resist pressure from segments of the dog industry to crate or cage dogs up to 18-23 hours a day. The book discusses scientific research studies and game-changing facts about how confinement changes pups mental, physical and emotional development. While many individuals who make their living working with- and writing about-dogs now believe that dogs are den animals, born to live in small wire cages every night, workday and commute, most dog owners prefer keeping their dogs free in their homes. Dogs Hate Crates has become a resource to help all pet parents raise healthy, well-behaved, crate-free dogs with family-tested tips for housetraining, behavior training and puppy proofing. And it s also a resource for those dog owners across America that contact the authors after their dogs...
