Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Body butters are an essential part of every man s or woman s beauty regime. It keeps your skin smooth, soft and glowing. It also protects you from dry, flaky skin, a huge problem for many of us, especially in the cold, dry winter season. There is no doubt that there are a lot of lotions available in the market for keeping your skin soft, silky and youthful. Thousands of such products are sold on a daily basis around the country. But just because these body lotions and butters are popular, doesn t mean that they are good for us too. One look at the ingredients and you will know why they may not actually be that good for your skin and your well-being. But you probably have never taken a look at the ingredients. Or maybe you have, but never knew what they were. Or even if you did know about the ingredients, you probably just ignore the fact that these chemicals may be harmful for your skin in the long run. Yes, most of the body butters sold in your nearest supermarket are made with chemicals that may cause various physical disorders. These chemicals are absorbed by the skin and enter your bloodstream and can cause various diseases, especially skin cancer, immune disorders, and nerve and muscle problems. So, should you stop using anything on your skin? No, that s not the solution actually. What you should do is make your own body butters right at home. Body butters are quite easy to make. When you make them yourself, you control the ingredients that you use on your skin. Homemade body butters are...
