THE HOLOCAUST ACROSS GENERATIONS: TRAUMA AND ITS INHERITANCE AMONG DESCENDANTS OF SURVIVORS (PAPERBACK)

New York University Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book Brings together the study of post-Holocaust family culture with the study of collective memory Over the last two decades, the cross-generational transmission of trauma has become an important area of research within both Holocaust studies and the more broad study of genocide. The overall findings of the research suggest that the Holocaust informs both the psychological and social development of the children of survivors...

Reviews

Excellent electronic book and helpful one. Better then never, though i am quite late in start reading this one. You wont truly feel monotony at whenever you want of your time (that's what catalogues are for relating to when you question me).
