Brand New Book ***** Print on Demand *****.An Introduction The Intricacies of the joint venture. So powerful, yet so fragile. With the power to make your business immensely profitable, but at the same time, with the power to ruin future possibilities of expansion and increasing profits if done incorrectly. Getting it right first time around is something that we as online marketers can t afford to sacrifice, as this is something that will form the base of much of our future promotion. It s amazing how one small minor detail can ruin weeks of planning. Listen in as I share with you some of the major pitfalls that have come about through my own joint venturing experiences, and in addition, some of the experiences that have come my way from people wanting to get their hands on my promotion resources. Everything from how to JV correctly, from first contact through to the final sealing of the deal, to where to find an abundance of prospects, tips and tricks to increase your success rate dramatically, and to avoid the pitfalls of modern day online marketing. What s more, you ll learn how to sneak in the back door, and gain JV s with people some business owners don t even know exist, because they re all fighting over the same twenty big names. All of it experienced, all of it tested and proven, all of it now yours. An unfair advantage you may call it, but that s for your competition to worry about.
