Reviews

A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.

LAP Lambert Academic Publishing Dez 2016, 2016. Taschenbuch. Condition: Neu. Neuware - The book interrogates the European Union (EU)-Zimbabwe Economic Partnership Agreement (EPA) negotiations, covering trade in goods and trade-related development cooperation rules. Meanwhile, EU-Zimbabwe trade relations reflected the changing motives of the former as the dominant development partner and extreme ideological division within the Zimbabwe non-state actors as well as exposing state-stakeholder fault-lines. Notwithstanding the above, Zimbabwe signed and ratified an asymmetrical interim EPA in 2009 and 2012 respectively. However, ZANU (PF) landslide victory on 31 July 2013 altered the power balance sufficiently to trigger the process of bilateral re-engagement with the EU. Both parties significantly softened, resulting in the signing of an agreement in July 2015 to normalise bilateral relations and start cooperation. This re-engagement has the full backing of EU member states. 292 pp. Englisch.
