Fulton Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Blue by Me, Blew Bye You is my first book of poems. It is my description of what poetry is to me. It is what I use to process my life s ups and downs and the good and bad--memories that I want to remember. These are poems of the places my heart has been to; it s a journey through my world. I believe that this book of poetry will relate to many of you who have gone through so many of life s experiences dealing with love, hope, anger, and death. These poems live somewhere between a poem and a short story of my life, and I cherish them because I have lived in each one of them. Anger, You Bully Anger, you bully backup off me, you have no place here, so keep moving on away from me.
