By Branton K Holmberg

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The age old mystery of the missing continent of Atlantis popped up when Sam was goin through some Planet X ship s logs. He discovered an exploration ship from that planet had recorded in another ship s log they were crash landin on Earth. Now ya know Sam and the rest of us Merlins couldn t pass up a mystery like that, especially when that was a lot earlier landin than the Tikal Xlins we d discovered had made. We spent weeks huntin fer the lost continent in the Atlantic Ocean. I m tell ya, that s a mighty big ocean. We finally stumbled onta somethin we thought might be connected with it but took an awful chance findin out if we were right. If Xlins were involved, and had survived, they d have been alive thousands of years before those we d discovered in the Mayan capital of Tikal. Knowin what we already knew about Planet X, the thought of findin if the crew had lived, and been involved in Atlantis had our blood racin. Join us as we take...

### Reviews

*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).*
