Lula Darling and her mother, Ella Mae, have escaped the terrors of slavery in the deep antebellum South and are now living on Chicago s South Side. After being transported through time and space into the present, they have finally found a new life and the freedom that they had hoped and prayed for. But life in the twenty-first century is anything but safe or easy. After surviving the bondages and horrors of slavery, Ella Mae is now suffering from post-traumatic stress and is experiencing nightmares. Lula has begun to fight as an activist and leader against racial injustice, police brutality, and the plight of the poor. When she begins a movement, it leads to new, unexpected fears and dangers. Now, Chicago s vicious gangs and drug dealers want her dead and top-level agencies are watching her every move. But despite the terrifying risks and perils of taking a stand, Lula is more determined than ever to spread a universal message of hope, and save humanity from spiraling out of control. After escaping the harrowing life they lived in the past, will Lula and Ella Mae survive?.
