THE INJUSTICE OF JUSTICE

AKA:yoLa. Paperback. Book Condition: New. Paperback. 322 pages. Dimensions: 9.0in. x 6.0in. x 1.0in.The Injustice of Justice is a purposeful book designed to introduce the public as well as the profession to an alternate method of policing with a whole-community and responsibility-based approach. Don has written the book from the perspective of a businessman whose interest and subsequent involvement stems first from his employee, then a compassionate and compelling group of individuals in law enforcement and our justice system. Here are a few responses to the book: Equal protection under the law is one of the basic premises of the American justice system. Yet many Americans feel this concept is not only elusive, but virtually impossible to attain. Its something we hope for and work to make real. Chief Grady has given us a practical approach to seeking justice while at the same time practicing reality. His book should be a must read for courses in community-police relations and for individuals and groups who want to better understand how our criminal justice system works, what good policing is, what changes are needed, and how we can all engage in making it happen. Donald Grady has presented a policing model that is way ahead of its time. This book is a telling look at the inadequacies of our criminal justice system from a criminal justice insider. . . . a must-read for anyone interested in innovative law enforcement strategies and forging stronger police-community relations. In sharing his successful leadership methods and progressive ideas, Chief Donald Grady has provided a valuable service. This item ships from multiple locations.
