Applying the same parental style to different children is the reason for the failure of many parents in child-raising. Your first child is not like the second one. In this book you will seamlessly learn how to educate, control, and discipline your child. You will also understand how your companions and behaviour contribute to your child's upbringing. Issues like purpose discovery and development, educational assistance and child independence are also discussed. For clear and simple understanding, the authors adopted the story telling method of teaching. Hence, this book contains eleven true short stories of parents that led their children to success and others that failed to raise good role models. Included in this are stories of Amschel Moses Rothschild, Eli: Priest of Shiloh, Charles MacArthur Taylor, Indira Ghandi, Benjamin Solomon Carson, Edrick Tont Tiger Woods, John Davidson Rockefeller Snr. , Thomas Alva Edison, Oprah Winfrey, and Nelson Rolihlahla Mandela. This item ships from La Vergne, TN. Paperback.
