Even if you have lost 75 percent of your retirement savings, it is possible to recuperate this loss conservatively in about four years. No matter your age, this book can help you retire much earlier than you may have thought. How can this be done Not by seeking the big one or by taking huge risks but instead by using a systematic, conservative, insured, time-tested strategy with the goal of making a 4 percent return on your money per month. You may be saying to yourself, How I am going to regain all the retirement money Ive lost with only 4 percent returns The secret is to earn this amount per month. If you can achieve that goal, you will earn a 48 percent return annually when you compound that 4 percent over a period of 12 months. With those results, even if you lost 75 percent of your retirement savings, you should be able to regain everything youve lost in about four years. This item ships from La Vergne, TN. Paperback.
