Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Speeding is reported in the Fatality Analysis Reporting System (FARS) as a driver-level attribute that combines driving too fast for conditions or in excess of posted speed limit. There is a growing need to parse out these two factors, especially for those designing countermeasures. The report, using data from the State Data System quantifies the extent of these two aspects related to speeding using data from six States whose police accident reports actually parse these out.
