Reviews

It is an incredible publication that we have actually read through. It is among the most incredible pdf i actually have study. I am just pleased to let you know that here is the very best pdf i actually have study in my personal lifestyle and could be he greatest book for possibly.

(Ms. Linnea Medhurst I)

MONTREAL PROTOCOL

Alphascript Publishing Feb 2010, 2010. Taschenbuch. Condition: Neu. Neuware - The Montreal Protocol on Substances That Deplete the Ozone Layer is an international treaty designed to protect the ozone layer by phasing out the production of a number of substances believed to be responsible for ozone depletion. The treaty was opened for signature on September 16, 1987, and entered into force on January 1, 1989, followed by a first meeting in Helsinki, May 1989. Since then, it has undergone seven revisions, in 1990, 1991, 1992, 1993, 1995, 1997, and 1999. It is believed that if the international agreement is adhered to, the ozone layer is expected to recover by 2050. Due to its widespread adoption and implementation it has been hailed as an example of exceptional international co-operation with Kofi Annan quoted as saying that 'perhaps the single most successful international agreement to date has been the Montreal Protocol'. 100 pp. Englisch.
