Brand New Book ***** Print on Demand *****.Sitting in a meadow in the shade of a crabapple tree were two little sisters. They watched as ants traveled back and forth on an exact path with loads that appeared much too heavy for their tiny backs. Meeting other ants they would stop and engage in ant talk then march on to their intended destination. Observing nature, the sisters learned that all of life s creatures have little worlds of their own that somehow must be important to God. Otherwise, what was His creative purpose for their being? One Life is the story of an ordinary person who watched as life progressed from being relatively simple and somewhat understood to being one in which the infinite perplexities appeared beyond understanding-let alone solvable. It is about a teacher s life experiences as she observed that lurking beneath the surface were interferences that would make the teaching of children much more difficult than it ought to be. In its own subtle way One Life shows how biblical truth has been undermined one step at a time, slowly, very slowly, so that society in general is taken unaware. The real concern is that today it continues. Virginia Parks Jones was born May 23, 1922, to Hobart and Esther McBrayer Parks in the hills of Kentucky in a town called Corbin. She taught school for forty years at the elementary and junior high levels, having begun her career in the small coal-mining community of Mary Helen. She ended her career in Orange County, Florida. She and her husband, Harry, reside in Harlan, Kentucky perhaps proving that the hills of Kentucky have a way of calling you back home.
