Reviews

A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.

Schiffer Publishing Ltd, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. 10 easy projects for the mini-lathe or other smaller lathes, from 12-36 inches. With clear, step-by-step instructions, illustrated with color photographs, this book will help the beginning or intermediate turner readily master the work in a weekend. Projects include door stops, a sliding glass door stop, wine bottle stoppers, confetti lights, oil lamps, candlesticks, wine caddies, prep plates and small bowls, hors d oeuvre plates, and plant stands. The book is designed so that as you move through one project you will develop the skill needed for the next. The tools required are clearly described, and most are standard turning tools. By the time one has finished these 10 projects their skills will be developed for more ambitious and complicated projects. Some of these are shown in a beautiful photo gallery that includes variations on the projects in the book. They will encourage the turner to design new projects of their own.
