ALMANAC FOR NEW YORKERS, 1939 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Almanac for New Yorkers, 1939 For the third year running, the Almanac for New Yorkers, springing full-born from the brow of the New York City Federal Writers Project, offers its public a bird s-eye preview of the coming urban year. Its two forerunners for - 1937 and 1938 - have firmly established it as an annual civic institution - one of the most cheerful events on the municipal scene. A play upon words will crowd upon the heels of a lovely lyric; stately prose is juxtaposed with the lingo of the East Side; and everywhere the dashing, supremely appropriate accent of Soriano s unique thumbnail sketches. The Almanac s light touch and irresistible gayety give the most telling proof of the Project writers versatility. With the main energy of these several hundred novelists, poets, reporters and researchers concentrated on socially valuable work - guides, encyclopedias, studies of racial groups and other thoughtful indices to contemporary American life - the giddy yet informative Almanacs merely serve to enhance and underscore the worth of the unique cultural experiment embodied in the Writers Projects. The New York World s Fair 1939 Incorporated is treated with a straighter face than is customary for the Almanac, as befits the massive...
