Unquestionably, this is the best work by any author. Better than never, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this PDF to find out.

Love of God, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. You think you know God loves you; or do you really? If you truly believed The Love you would never hesitate asking anything in prayer; even when you haven't been acting all that great. And if you still want/need something (God never separates the two. even though we are absolutely certain that He does) then confess/repent and try to overcome the guilt of manipulating God before daring to ask again. Ok. maybe you've never been (or won't admit being) through this cycle. But if you're honest it is at least one of the reasons you have resisted pursuing or deepening your relationship with God (often mistakenly referred to as religion). That's why THE LOVE OF GOD had to be written. Our religious or traditional understanding of who God is and how He interacts with His Creation has created a vague mystery at best and a cruel monster at worst. To circumvent this notion, the God of Creation repeatedly uses the metaphor of Family. He calls His Covenant People, Children. He refers to Himself as Father only a few times in the Old Testament but Jesus brought the full revelation of God the Father in His earthly ministry. And ultimately the Holy Spirit refers to the Church as the Bride of Christ. If your memory of family is not altogether pleasant then that tragedy needs to be overcome with a new startling revelation of who God really is, and how He really feels about you and the heartbreak you have experienced. I cannot solve that problem in a phrase. But I believe with all my heart that this message is a revelation that can bring change to you...
