You can talk! exclaimed Clayton, looking at the new puppy he had picked for his birthday. Of course I can, Max stated, with a hint of wonder in his voice. Why wouldn't I? Then the pup informed Clayton, My name is Max. That's short for Maximum. Why am I the only one that can hear you? I guess it's because you have problems with your ears. They don't work right. How would you know that? Clayton asked skeptically. I saw it on Animal Planet, When Animals Help, episode twenty-nine, channel two eighteen. Max looked smug, but then admitted sheepishly, Also, I kinda overheard Mama and Dad talking about it. Well, I think it's way cool. I have a pet dog that can talk. Well, I think it's way cool I have a Pet Boy, and I'm going to be your hearing ear dog, just like the ones I saw on TV that help their humans. You watch a lot of TV, don't you, Clayton said. Yes I do, Pet Boy. You can learn lots of things. As his friendship with his puppy grew, Clayton would learn that Max not only watched a lot of TV, but also believed everything he saw. And at times, he would get both of them into trouble because of it.
