Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Tea Herb Gardening: Learn To Grow 22 Essential Tea Herbs For Healing And Regular Tea In a world of synthetics, it s hard to come across natural remedies for those everyday ailments that crop up in your life. You know you want something that is natural, that isn t full of harmful side effects, and that you can use without worry of where it came from. But, when you look into the dried herbs in the stores, you see just how expensive they are. Not to mention you don t know if they are grown in a way you would approve of, which means you need to wonder if you are getting what you are paying for in the first place. The only way to ensure you are getting just what you want when you want it, you need to grow it yourself - but even that feels intimidating. And that s where this book comes in. In it, you are going to learn just what you need to do to grow a variety of your own herbs, and to get all the rich health benefits from each one. This book has it all, from the names of the herbs and their uses to the images you need to keep you on track. In no time at all, you are going to have the green thumb of your dreams, and be growing your own garden of herbs you will truly use. Learn how to grow a variety of useful herbs you can truly use Learn how different herbs grow to find the one that works best for you Grow herbs you want, and grow herbs for their benefits Have fun...
