British Archaeological Reports, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This research is an investigation into the safe passage of the deceased over water as exemplified in the early Egyptian legends involving the Lake of Knives and the Lake of Fire . The journey of the deceased from death to resurrection is envisaged as taking place in a boat crossing dangerous places and ordeals. This journey was parallel to the sun god Re s passage over the waters of the sky, and in which he is threatened by the powers of chaos. The rites of passage focus on the safe passage of Re through chaos, and assert resurrection, rebirth and life after death for the deceased. The passage is re-enacted in mythical images and in ritual actions, and focuses on the safe journey of the deceased through the ordeals of the Netherworld. This research is divided into seven chapters. Chapter One deals with the symbolism of water, knives and fire. Water is dealt with as the discharge which comes from the body of Osiris and offered to him in ritual. The second section deals with the symbolism of knives and fire. It is concluded that water mediates the passage of the deceased when it is offered to him in ritual. Water can also cause violent death. Fire and knives are used as destructive tools in rituals. Chapter Two explores the cartographical descriptions and cosmographical locations of the two lakes, using textual and pictorial evidence. It is concluded that the Lake of Knives is envisaged as extending from the east to the west of the sky. The description of the Lake of Fire varies from one context to another. The two lakes have no specific locations, but they wind through the sky....
