Reviews

An incredibly awesome publication with perfect and lucid reasons. It can be written in simple phrases and not confusing. I am just delighted to let you know that this is actually the very best publication I actually have studied during my very own lifestyle and could be the best publication for actually.

(Paula Gutkowski)

HOMEOPATHY FOR MUMPS

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Homeopathy for Mumps is an easy-to-use practical guide for newcomers to homeopathy to self-prescribing safe, non-toxic homeopathic remedies for the common symptoms of the mumps virus in an otherwise healthy child. It does not discourage essential treatment for conditions for which medical supervision should be sought - parents and guardians are encouraged to make their own well-informed decisions regarding vaccinations. Homeopathy treats the person not the disease and homeopathic remedies have no side-effects and cannot weaken your child's immune system. Homeopathy for Mumps is written in an easy to follow style and recommends ten of the most effective homeopathic remedies for the symptoms of mumps in the 30c potency. Homeopathic remedy descriptions are short and self-explanatory. Readers may find the Self-Help chapter especially useful particularly the guidelines on treating fever. This chapter also explains how to recognize and deal with any complications. Care and safety of the child are paramount and professional medical help, which may include classical homeopaths, is advised should problems arise. A choice of international specialist suppliers of homeopathic remedies is included to help locate remedies in various countries. Another important addition is a simple three-step guide to observing and classifying reactions after giving remedies, with follow-up actions if necessary. These suggestions concur with the principles of classical homeopathy to ensure optimal success in prescribing. Homeopathy for Mumps is interspersed with color photographs and pertinent quotations. For instance, does homeopathy work? Paolo Bellavite et al explains: We now have the results of studies that have used homeopathic remedies under well-known experimental conditions, as well as conventionally produced experimental evidence indirectly explaining homeopathic phenomena. The current scientific literature contains a substantial body of evidence and...
