*The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Excerpt from Sophia Cooke: Forty-Two Years Work in Singapore By the Rev. B. Baring-Gould, M.A. My only claim to be allowed the privilege of introducing to the reader the accompanying little volume arises from the fact that I happen to be one of the last who, as an official of a missionary society, saw the subject of these memoirs in the midst of her beloved children and work. Deeply conscious from somewhat extensive personal observation of the debt of gratitude which the Church Missionary Society owes to the workers connected with the Female Education Society, most gladly do I respond to the request which has been made to me. The name of Miss Cooke, it need scarcely be said, has been for many years a household word among all who possessed an intelligent knowledge of Christian work, specially in South China and in the Malay Peninsula. Hence it was in full accordance with the fitness of things that, on paying a brief visit to Fuhkien in December of 1894, again and again did we come across in the wives of Christian native workers the most cheering fruit of the labour expended by Miss Cooke and her colleagues in her boarding-school at Singapore.
