Insomniac Press. Paperback. Book Condition: new. BRAND NEW, Naming the Mannequins, Nic Labriola, This is an ecstatic journey through the seamy underbelly of a fading, unnamed town populated with seemingly hollow, anonymous souls. Taking place over the span of one night, this series of linked poems gives us glimpses into the lives of unlikely urban saints on their individual quests for personal humanity and spiritual redemption. Marred by loneliness, violence and desire, Labriola's world, at once lyrical and cinematic, occupies that irresistibly dark place in our cultural consciousness somewhere between film noir, crusade story, and the songs of Tom Waits.
