The Sound Handbook (Paperback)

By Tim Crook

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Condition: New. Language: English . Brand New Book. Tim Crook has written an important and much-needed book, and its arrival on our shelves has come at a highly appropriate time. Professor Sean Street, Bournemouth University The Sound Handbook maps theoretical and practical connections between the creation and study of sound across the multi-media spectrum of film, radio, music, sound art, websites, animation and computer games entertainment, and stage theatre. Using an interdisciplinary approach Tim Crook explores the technologies, philosophies and cultural issues involved in making and experiencing sound, investigating soundscape debates and providing both intellectual and creative production information. The book covers the history, theory and practice of sound and includes practical production projects and a glossary of key terms. The Sound Handbook is supported by a companion website, signposted throughout the book, with further practical and theoretical resources dedicated to bridging the creation and study of sound across professional platforms and academic disciplines.
