Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Fact: People like to talk. A lot. And for the most part, you should let them. Because you never know when you re going to get gems like:"That girl has wayyyy better options than living in a love coffin." BTW, should we get wasted tomorrow, play Doom, and make terrible decisions? "Oh e I didn t think that emoticon would shoot little hearts out of its butt. My bad."And so on. And so forth.The Strange Things People Say is a collection of funny real-life texts, sexts, tweets, emails, Facebook posts, and more. They actually happened. They re taken totally out of context. And they re hilarious.It s one-hundred pages, each full of partial conversations, half-texts, and snippets of messages. Cut off from the full dialogue, they re funny, rude, and head-scratching. What was the conversation really about?What were they trying to say?Completely up to you. (\*\*Contains adult language\*\*).
