Authoritative, timely, and provocative, likely the most complete and nuanced life of Donald Trump thus far (The Boston Globe) provides a complex portrait of the man whodespite broad skepticismcould be the next president of the United States. Who is Donald J. Trump Despite decades of scrutiny, many aspects of his life are not well known. To discover Trump in full, The Washington Post assembled award-winning reporters and researchers to delve into every aspect of Trumps improbable life, from his privileged upbringing to his astonishing 2016 rise to the Republican candidacy.
