

The Winter s Tale: With Introduction, and Notes Explanatory and Critical for Use in Schools and Families (Classic Reprint) (Paperback)

By Henry N Hudson

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Critics consider The Winter s Tale one of Shakespeare s problem plays because it transcends genres, takes place in two parts 16 years apart, and begins as a tragedy and ends a comedy. But these are not problems as much as they are innovations. Modern readers welcome time jumps and tragicomedies, so most will love The Winter s Tale. Written near the end of The Bard s career, The Winter s Tale begins with Leontes, King of Sicily. Thematically, Leontes borrows heavily from Othello, the subject of another tale of jealousy and its after-effects. In a cold winter, Leontes becomes convinced of his wife s infidelity, and the paranoia eats away at him until he takes drastic actions. What happens to Leontes and his family is the very definition of tragedy. Unlike Shakespeare s other tragedies, however, the play doesn t end there. Father Time literally appears on stage to announce that part two will begin 16 years later, during a lovely summer in Bohemia. What has happened to Leontes family and friends? Did Leontes suffer for his rage? Is redemption even possible?...

Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Everett Stanton**

Very good electronic book and useful one. it absolutely was writtern extremely completely and useful. You will not feel monotony at at any moment of your respective time (that's what catalogs are for relating to when you question me).
