

## Coming Alive: 4 Tools to Defeat Your Inner Enemy, Ignite Creative Expression and Unleash Your Soul's Potential (Paperback)

By Barry Michels, Phil Stutz

Random House LCC US, 2017. Paperback. Condition: New. Language: English . Brand New Book. Tap into the life force to deepen your emotional and spiritual experience and realize your full potential with this transformative book by the New York Times bestselling authors of The Tools (and the resident shrinks on Goop). In The Tools, Barry Michels and Phil Stutz revolutionized the world of personal growth and self-actualization by offering doable, dynamic actions that transformed challenges into opportunities for change. Now, in Coming Alive, they provide four vital tools for tapping into the Life Force that resides within each of us? a wellspring of positive energy that is the source of creativity, renewal, confidence, and engagement. The first step in gaining mastery over one's life is identifying the enemy within, which Michels and Stutz have named Part X. This formidable adversary is a shape-shifter? it may be the voice in your head that is a torrent of negativity, persuading you of the futility of finding love, starting a business, or pursuing a creative passion; it may sap you of energy, convincing you that your inner resources are limited; it may take the form of outside forces that conspire against you. In whatever guise it appears,...

### Reviews

*This pdf is fantastic. It typically is not going to price too much. You will not truly feel monotony at at any time of your own time (that's what catalogs are for about if you request me).*

-- **Leslie Reinger**

*Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.*

-- **Wilbert Connelly**
