Hawes: From the Eleventh Congressional District of Missouri That the majorities were evenly distributed throughout the 155 precincts. These tables and summary should put contestant upon notice that if his con test is made in good faith it becomes his duty to investigate each and every one of the 155 voting precincts, because the majorities are so evenly and uniformly scattered throughout the precincts. In no other way can a recount and examination of ballots be undertaken which will furnish Congress with satisfactory evidence of fraud or corruption.
