Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are you ready to learn 1000+ spanish words in the next 60 minutes? You ve probably been wasting time studying. If you ve been using traditional language learning tools like classes or software to teach you Spanish - I can almost guarantee it. These classes focus on memorization, basic vocabulary, routine phrases and conversations. And, naturally, these are all important. But, here s the thing - Most traditional Spanish classes are missing critical information that could save you hours of time and effort. It s what these courses DON T teach you that leads to hours of unnecessary time wasted studying. They don t teach you the critical principles that allow you to master the knowledge in minutes - NOT hours. (by the way, if you ve had difficulty learning, it s probably because you didn t have the right methods to make it easy). You might not believe this, but: You can significantly improve your Spanish vocabulary, right now. Instead of wasting time studying using traditional methods, you could be using effective techniques to increase your vocabulary TODAY. These methods will show you how you can learn hundreds of new Spanish words in less time than it takes you to eat lunch, AND know them forever, not just for a few minutes or long enough to take the test. How is this possible? Let me explain. I ve found proven strategies for increasing your learning speed - habits, techniques, and tactics that will put the jet fuel in your language learning. These strategies were not easy to find. And guess what? I m a native bilingual speaker! I personally use these to make connections between large sets of words, and learn...
