

## Seeing Nature: Deliberate Encounters with the Visible World

By Paul Krafel

Chelsea Green Publishing Co. Paperback. Book Condition: new. BRAND NEW, Seeing Nature: Deliberate Encounters with the Visible World, Paul Krafel, Seeing Nature is a series of true stories or parables that offer tools for understanding relationships in the natural world. Many of the stories take the reader to wild landscapes, including canyons, tundra, and mountain ridges, while others contemplate the human-made world: water-diversion trenches and supermarket check-out lines. At one point, Krafel discovers a world in a one-inch-square patch of ordinary ground. Inspiring for parents and teachers seeking to encourage excitement about the positive role of people in nature, Krafel's work harkens to St. Exupery's *The Little Prince*, Annie Dillard's *Pilgrim at Tinker Creek*, and Jean Giono's *The Man Who Planted Trees*.
