Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

MY LIFE AS A 6TH GRADE SUPER ZERO (PAPERBACK)

Createspace, United States, 2014. Paperback. Condition: New. Victoria Faye (illustrator). Language: English . Brand New Book ***** Print on Demand *****.You d think being a superhero would be cool. And you re right. It would be cool, especially since the entire world is filled with plain old regular people. Superheroes and supervillains are kind of hard to find, but not as hard as some people like to think. So, anything would be better than being just a normal, everyday 6th grader, right? Wrong. The only thing worse than being an average kid would be what I am, and that is a hero with a totally useless, mega wonky, super power. I m a dud-a zero. That s me, Theo Perkins, a 6th grade super-freaking-zero.
