

## The Diary of Alexander the Great: A Chronological Retrospect Centred on Arrian's Anabasis Alexandri (Paperback)

By Hutan Ashrafian

Institute of Civilisation Press, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Alexander the Great (356-323 BC) has been considered as the greatest leader of all time. He occupies an imposing position in the public imagination and is the most universally recognised ancient monarch. His influence remains widespread in Europe, the Middle East, South East Asia and beyond. Nation states still utilise his historical presence in their lands as a standard of national existence and sovereignty, whilst his administrative methods remain obligatory reading for military strategists and leadership scholars. Although there are several sources that describe his life events and a multitude of analyses deriving from these, they have been devoid of the day-to-day context of Alexander's actions and decisions. As a consequence, whilst some of the macro-chronology of his life is known through the major life events of birth, battles and death dates, much of the micro-chronology in terms of a breakdown of day-to-day events remains unknown. This lack of a combined macro- and micro-chronology has in places resulted in warped and biased evaluation of Alexander's life and actions. This book aims to offer both a macro- and micro-chronology of...
