## The Elementary Principles of Machine Design (Classic Reprint)

By Jacob G Arnold Meyer

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Elementary Principles of Machine Design While it is true that there are several very excellent works on machine design before the public, it is also unfortunately the case that we have no simple and cheap work which begins at the beginning and leads the student on by gradual and easy steps to an acquaintance with the more important departments of the subject. The object of the writer in preparing the present little volume is to supply this want and to furnish a stepping stone, as it were, to the study of more elaborate works. As the best way to impart a clear knowledge of any practical subject is to work out such easy examples as are likely to occur in every-day practice, the author has begun by giving the rules and directions required for the designing and drawing of one of the most common objects of the workshop - a screw wrench. Having worked out this easily understood example he then passes on to more intricate and difficult problems, and by degrees leads the...
