The Journey to Pain Relief: A Hands-On Guide to Breakthroughs in Pain Treatment

By Phyllis Berger

Hunter House. Paperback. Condition: New. 288 pages. Dimensions: 9.3in. x 7.5in. x 0.7in. Through her extensive experience with pain clinics, author Phyllis Berger a chronic pain sufferer herself realized that pain relief was highly dependent on stress factors. She found relief could be more rapidly achieved by blocking pain with electrical currents and acupuncture, relieving anxiety and releasing emotions, and increasing pain-free movements with exercises, especially enjoyable exercises that build strength and endurance. Focusing on the brain and its complex chemical interactions and electrical circuitry, The Journey to Pain Relief provides solid information, advice, and treatment suggestions to empower both the chronic pain sufferer and the pain therapist. The author authoritatively describes ways to combine a wide range of treatments that tap into the body's inherent knowledge and ability to heal, increase exercise ability, stimulate the production of helpful chemical substances in the body, and encourage the positive attitudes that will bring many more patients to that often elusive destination of pain relief and control. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

-- **Sister Langosh**

Completely among the finest book I have actually read through. It is probably the most remarkable book we have study. I discovered this book from my dad and i suggested this book to learn.
