THE HANDY GEOGRAPHY ANSWER BOOK (THE HANDY ANSWER BOOK SERIES)

Visible Ink Press. Paperback. Condition: New. 450 pages. Dimensions: 7.1in. x 0.0in. x 9.2in. Geography is more than just maps and finding your destination. It is about the land, the people on that land, the delicate balance of nature, and our very interdependence upon it, despite the miracles of technology and grocery stores. Its about the effects of nature on places and people, as well as how politics, borders, cities, and towns affect our lives. The Handy Geography Answer Book traces the history of geography from Eratosthenes and Alexander von Humboldt to latitude and longitude, folding maps, and the latest advances in the Global Positioning System (GPS). It provides insights into economic, social, historic, culture, religious, political, and climate geography, plus oceanography, demographics, and more. Completely revised and updated, The Handy Geography Answer Book tours the world, its natural features, and the ever-changing mark humans make on our planet. It answers 1, 200 questions on todays world, from the trivia (longest, hottest, tallest) to how geography has influenced history, religion, architecture, and the location of cities. Youll learn answers to such questions as . . . Why is every two-dimensional map distorted What new epoch has recently been proposed by Nobel Prize winner Paul Crutzen Who first had the idea that there is a magnetic North Pole What is interesting about Googles Streetview How does GPS work When will we run out of oil How many people are projected to live on the planet in 2050 What are the largest metropolitan areas in the United States How many miles of paved road are there in the United States Which state has the highest annual divorce rate What are the largest and smallest counties in the United States Whats the difference between England, Great Britain, and the United Kingdom How is China...
