Vintage Crochet: (FREE Bonus Included) 5 Modern Patterns For Contemporary Style You love the things of the past, but you also love the things that are modern. You love being able to marry the past with the present in your style, and you love being able to flaunt what you have to the world around you. But when it comes to home decor, you can run into a few problems. You want to be able to find something that is vintage and captures the feeling of times past, but you also want to be able to find something that is new, and fits into your modern style. How are you going to pull this off? Obviously, the answer is simple. If you want to create something that is a blend of the old and the new, you are going to have to make it yourself. But how? That s where this book comes in. In it, I am going to show you how to create vintage projects that fit into your modern style, and flaunt the look you want all throughout your home. You are going to fall in love with each of these styles, and have fun in the process - a win all around for a charming vintage look Learn how to make vintage projects with crochet Use these vintage items in modern decor Use colors of the past with a style in the now And much, much more!
