A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

WHISPERED WORDS.: FROM THE MIND OF GOD TO THE HEART OF MAN (PAPERBACK)**DOWNLOAD**

iUniverse, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Poetry is often more than just words. For man, it is an expression of a creative gift from God. When used for His glory--it is a powerful tool for ministry. When inspired by God, poetry can bring hope, life, peace, joy, and encouragement to the poet and reader alike. Unable to break free from her past, haunted by memories, and incapable of generating any hopes for tomorrow, author Lorraine A. Scarlett-Stanley searched for the more that she did not have, and the more she felt she did not deserve. Nonetheless, the more she searched, the more she found. The more that she found, the more she wanted. The more she wanted, the more He, who was faithful, entrusted to her. In this first volume of Lorraine's poetry, each word is anointed to minister to your needs and to heal your hurts. The Bible states: -- So shall My Word be that goeth forth out of my mouth: it shall not return unto me void, but it shall accomplish that which I please, and it shall prosper in the thing whereto I sent it. (Isaiah 55:11) Glory be to God! So in the words of the author, if F.A.I.T.H--Fear Arrested In Time For Hope--is the substance of what Lorraine A. Scarlett-Stanley hoped for--then we hope you agree that Whispered Words.From the Mind of God to the Heart of Man is the evidence of things that can now be seen. Walking by faith, abiding in hope and resting on promise, Lorraine invites you to partake of the more that you have been searching for. Be Blessed.
