

Social Suicide (Paperback)

By Gemma Halliday

HarperCollins Publishers Inc, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Twittercide: the killing of one human being by another while the victim is in the act of tweeting. Call me crazy, but I figured writing for the Herbert Hoover High Homepage would be a pretty sweet gig. Pad the resume for college applications, get a first look at the gossip column, spend some time ogling the paper s brooding bad-boy editor, Chase Erikson. But on my first big story, things went .a little south. What should have been a normal interview with Sydney Sanders turned into me discovering the homecoming queen-hopeful dead in her pool. Electrocutated while Tweeting. Now, in addition to developing a reputation as HHH s resident body finder, I m stuck trying to prove that Sydney s death wasn t suicide. I m starting to long for the days when my biggest worry was whether the cafeteria was serving pizza sticks or Tuesday Tacos.
