Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A Cherokee prophecy, escalating natural disasters and strange sounds, mark the approaching end of planet Terra, our Earth. When Jewel Adams leaves home school for high school in her senior year, she discovers she s not the only one with special abilities. Jewel, the Fletcher twins and Storm Ryder share a destiny as the only ones who might avert the coming disaster, but will their enhancements be enough to save Terra? Jewel sees auras and through disguises. Sky is a strong empath and her twin brother Pax, the only one who can calm her, is able to smell pheromones and other scent molecules better than a bloodhound. Storm s telekinesis seems to be the most practical gift, but can he control it during one of his rages? Will an ancient enmity between two star systems cause their mission to fail? Are they willing to take the chance? If they don t, Terra will self-destruct and mankind will be destroyed.
