Filesize: 2.41 MB

Reviews

This sort of publication is almost everything and taught me to hunting forward and much more. Yes, it is actually play, continue to an amazing and interesting literature. I am pleased to tell you that this is basically the best book we have read through inside my individual life and could be he finest book for ever.
(Enrique Ritchie Sr.)

LES AMERICAINS SUR L OCEAN-PACIFIQUE (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.

La decouverte de l or en Californie comptera certainement parmi les chapitres les plus curieux de l histoire de notre temps. Il n est personne qui ne se souvienne de l avide empressement avec lequel etaient lus et commentes les premiers recits qui firent connaitre les merveilles de cette terre de promesse. La curiosite publique semblait insatiable de details sur l existence de l etrange societe qui avait surgi comme par enchantement au sein d un pays inconnu; ses moeurs insolites, sa composition heterogene interessaient jusqu aux esprits les plus superficiels, en meme temps que cette production inouie du precieux metal, base de nos echanges, preoccupait a bon droit l economiste, oblige de remonter a plusieurs siecles dans le passe pour trouver les elements d une perturbation analogue. Survint la decouverte des mines australiennes, rivales des placers americains; c en fut assez pour calmer les imaginations surexcitees, et non-seulement ces nouvelles richesses qui se revelaient a l autre extremite du Pacifique ne eveillerent qu une attention relativement secondaire, mais il sembla que l esprit se fut accoutume a ces coups de la fortune, qu ils dussent faire desormais partie integrante du cours ordinaire des evenements, et que rien ne fut plus naturel que de trouver ainsi partout de nouveaux gisements auriferes. Hier c etait la Guyane qui annoncait les siens; aujourd hui ce sont les bords de la riviere Frazer, ou encore le Kansas, qui appellent les chercheurs d or.
