Harper Perennial Modern Classics. Paperback. Book Condition: New. Paperback. 144 pages. Dimensions: 7.8in. x 5.2in. x 0.5in. When the novel *Brave New World* first appeared in 1932, its shocking analysis of a scientific dictatorship seemed a projection into the remote future. Here, in one of the most important and fascinating books of his career, Aldous Huxley uses his tremendous knowledge of human relations to compare the modern-day world with his prophetic fantasy. He scrutinizes threats to humanity, such as overpopulation, propaganda, and chemical persuasion, and explains why we have found it virtually impossible to avoid them. *Brave New World Revisited* is a trenchant plea that humankind should educate itself for freedom before it is too late. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
