PRAISE FOR THE MISSING ELEMENT: The Missing Element is an action-packed, high-stakes suspense thriller. Through well-developed characters and deftly intersecting plotlines, author John Betcher relates a riveting - and disturbingly realistic - tale of intrigue, mystery, and high-tech espionage. Fans of the genre are sure to find themselves engrossed in the unfolding action of Betcher s fast-paced narrative, and his skillful storytelling stands out as a key element in the overall enjoyment of the well-crafted tale. Taut, compelling, and highly entertaining, The Missing Element is a dynamic read. The latest thrilling offering from an exciting new literary voice. APEX REVIEWS. The Missing Element is well-written, the plot is intriguing, and the characters are interesting. Betcher draws you in from page one and holds your interest to the very last. Unlike many recent novels, Betcher takes his time tying up the loose ends and concluding the story. This book is obviously the beginning of an exciting new series of suspense novels for Betcher. The Missing Element is highly recommended . . . READERS CHOICE REVIEWS. I was impressed all the way around with the writing, the plot, the whole story. As I finished the last pages I closed the book very satisfied that all the loose ends had been tied and hopeful that I could follow the roads that Beck travels again. Sheila A. DeChantal, Book Reviewer Blogger. Sure this was a great mystery and it was complex and diverse enough to keep me totally interested while both Beck and his wife must get involved in order to stop what would have been a world-wide information disaster. So if mysteries are your interest,...
