This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).

Willis Music Company, United States, 2005. Paperback. Book Condition: New. 297 x 221 mm. Language: English . Brand New Book. (Willis). Edna Mae Burnam wrote these 32 short melodies in 1975, after the runaway success of the main core of the A Dozen A Day series. The book emphasizes playing in a variety of key signatures: major pieces are paired with the relative minor. Like the rest of the series, the short pieces are patterned and remain in five-finger position. Burnam s charming hand-drawings reflect the contrast in the mood and feel of the keys.
