Brand New Book ***** Print on Demand *****.Excerpt from An American in the Making: The Life Story of an Immigrant When I hear all around me the foolish prattle about the new immigration - the scum of Europe, as it is called - that is invading and making itself master of this country, I cannot help saying to myself that Americans have forgotten America. The native, I must conclude, has, by long familiarity with the rich blessings of his own land, grown forgetful of his high privileges and ceased to grasp the lofty message which America wafts across the seas to all the oppressed of mankind. What, I wonder, do they know of America, who know only America? The more I think upon the subject the more I become persuaded that the relation of the teacher and the taught as between those who were born and those who came here must be reversed. It is the free American who needs to be instructed by the benighted races in the uplifting word that America speaks to all the world. Only from the humble immigrant, it appears to me, can he learn just what America stands for in the family of nations. The alien must know this, for he alone seems ready to pay the heavy price for his share of America. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
