Reviews

Definitely one of the better book We have possibly read. We have read through and i also am certain that i am going to gonna study once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Enrique Labadie)

FOOT: A PLAYFUL BIOGRAPHY

Greystone, 2003. Gebundene Ausgabe. Book Condition: Neu. Gebraucht - Wie neu ungelesen, neuwertiger Zustand; Rechnung mit MwSt.; unused/unread, likw new condition; Bestellungen bis 15 Uhr werden am gleichen Werktag verschickt. ; - This tribute to an unsung part of the body collects a closetful of fascinating lore about the physical foot, foot fashion, and foot fetishism. Author Kathy Vanderlinden has collected every imaginable kind of fact and fancy about this all-important part of the anatomy. She explains the giddy pleasure, the lust, and the therapeutic value of shoes for the shoe lover, with such examples as the stiltlike chopine of 15th-century France, the outlandishly wide duckbill of 16th-century England, and the gorgeous Manolo Blahniks of today. Foot's tantalizing tidbits cover foot rituals, foot fairytales, and foot beauty treatments, illustrated with a wealth of photos of beautiful, grotesque, and sexy shoes; images of the foot in art; famous feet; and foot ornamentation. Englisch.
