Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. In Modernism and Hegemony, Neil Larsen exposes the underlying political narratives of modernist aesthetic theory and practice. Unlike earlier Marxist critics, Larsen insists that modernist ideology be approached as a displaced politics and not simply as an aesthetic phenomenon. In this view, modernism is broadly ideological project comprising not only the literary-artist canon but also a wide array of theoretical discourses from aesthetics to philosophy, culture, and politics. Larsen gives postmodernism some credit for the apparent breakup of modernism, and for exposing the philosophical and political nature of its aesthetic stance. But he parts company with its ideological and epistemological notions, proposing to change the terms, and thus the framework, of the debate. For Larsen, modernism is intimately linked to a crisis of representation that affected all aspects of life in the late nineteenth century - a period when capitalism itself was undergoing transformation from its classical...
