Severed Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It was supposed to be a fun vacation. Instead it became a terrifying fight for survival. Laurie Schnellman just wanted to get away for a while. She wanted to take a cruise in the Arctic, see some whales, maybe have a fun hookup with one of the other passengers. Then they see something out in the water, something coming toward the ship at an impossible speed. Tonight all the passengers on the cruise ship Lucky Lady Duck are going to get far more than they paid for. They are going to get a perfect view as a gauntlet of sea monsters from outside of time fight for them all. The lucky ones will be the ones that die first, because the survivors will have to face something none of them could have ever imagined in their worst nightmares.
